About the Location

**Talla Ramgarh,
Uttarakhand
Dist. Nainital**

Divided into two parts, Malla (Upper Part) and Talla (Lower Part), Ramgarh is a heavenly hamlet with its verdant orchards of Apples, Apricots, Peaches and Pears that have earned it the moniker "Fruit Bowl of Kumaon".

From unobstructed views of the snow laden Himalayas to the incredible lush greenery, Ramgarh is known for its pristine natural beauty and its tranquility. Once the cantonment of the British army, Ramgarh has a rich legacy of old colonial buildings, rustic bungalows and old rest houses, coexisting with the traditional Kumaon architecture.
